

Dr. phil. Petra Gekeler

† 22.06.2019

In memory of Dr. phil. Petra Gekeler

The SSH-CHES mourns the loss of Petra Gekeler († 22.06.2019), who has been actively involved in the SSH-CHES for many years as head of the Language Centre Basel.

She served as Co-President of the SSH-CHES from 2014 to 2018 and played a major role in the planning of the Cercles Conference in September 2014 and the revision of the statutes of the Association. She was also involved in the research activities of the SSH-CHES and organised further education at the Language Centre Basel for lecturers of the member institutions. We miss Petra very much as a constructive and strongly committed member of the Association.
